Can be Furnished of the very best grades at a very reasonable
cost if bought of

Rigby-Morrow Company

BUILDER'S SUPPLIES

Some of the Necessities of Building a Home are:

*Rough Framing Lumber, Native or Southern;
Siding, Cement, Plaster, the United States Jypsum
Hydrated Lime, Rock Lime, Native North Caro-
lina and Georgia Flooring, Ceiling, Sash,
Blinds, Screen Doors and Windows
Wall Board for Inside Finish*

The Wall Board is used largely in this neighborhood for quick rush work.

Many of the late buildings are finished with the wall board.

The Rigby-Morrow Company Metal Shingle

This Tin Shingle is manufactured for this firm especially to be used on houses in this climate. They are guaranteed to be as good as any manufactured. Hundreds of houses in Hendersonville have this shingle on them now and have had it for many years.

Cypress Shingles

|| Pine Shingles

|| Solid bored Columns

Having purchased the entire output of a local factory we are prepared to submit you prices exceptionally low on these. They are being used extensively.
Deadening Felts for Floor and Walls.
